

Welcome to our new pastor, Eirian Davies. Eirian starts in our church in July 2022. We're looking forward to welcoming him and his, Portia, and their three children.

Eirian grew up in Bridgend with his Christian parents and his two older brothers. At the age of 13, he was persuaded that the good news about Jesus was true and he became a Christian. He has been married to Portia since 2014. Portia is a full-time mum to their three children; twin boys and a girl. She likes to spend what little spare time she has reading novels, sipping coffee, and catching up with friends. After an office job in Exeter for 6 years, Eirian trained to be a church minister at Oak Hill College in London, where he became more and more convinced that the Bible gives us the best answers to life's big questions. Eirian enjoys rugby, running, coastal walks, camping, and trips to the beach. He's also a fluent Welsh speaker.

Eirian and Portia look forward to being part of our community
